Ellington Hotel will come out of the account very soon. A tuba will be purchased from the instrument fund.

Hot Java check arrived for \$12,170. Everyone is paid up for Ellington. All Disney payments have been received from all students. A \$1500 and \$200 donations were received to offset Ellington payments.

Final payment made to World Strides for the Disney trip.

Choir reimbursement for Disney has not been received yet.

Disney Pros

Directors did a great job of setting expectations. The kids really watched out for each other.

Taking an in tact group was a great idea.

Money distribution worked well.

Disney Cons

Dietary restrictions were a challenge.

Would have preferred a different hotel.

Youth Marching Band

Andrea, Sue, Cathy, JoAnna & Dan Taylor. Aug 15-19. Snoqualmie Parade on August 20.

Jersey Mike's Fundraiser

\$546 was made. That money has been added to the Ellington budget.

Senior Awards (May 23)

Carol to encourage Matt to have the kids do the senior surveys online so they can be put on the big screen and not have to read them all out load. There are 23 seniors this year. Cathy and Carol will work on it together. Sue is working on corsages and boutonnieres for both the awards and the last concert (June 3).

Snap! Raise – Mark Gray

Minimal effort fundraising. They create a custom webpage for us and people can share via facebook. Tax write off. Matching funds available as well. We get 70% of the donations raised and Snap! Raise gets 30%. We get more money if more people participate. Each kid is expected to send out 20 emails to solicit donations. There are no upfront costs. \$2000 and 50% participation required otherwise they charge us \$500. We would like to raise \$10,000-\$12,000 to replace our Jazz at the Club event. If we get more than 70% participation, we get an additional 7%.

Spiritwear - JoAnna

Lots of cute spirit wear ideas for band – ties, hat, scarves, blankets, shirts, sweaters and more. Cathy will put on the website.
