Decorations for Jazz at the club – Jennifer Gibbons

Possible photo booth for the fishbowl? Theme colors for the night are gold, black and red accents. 3 people are needed to help with decorating. We will ask Danny if we can get in at noon to start with the decorating. ** Carol will send student quotes to Jennifer to use with the decorations.

Financials – Sue

Disney money has come in as well as miscellaneous donations, photography money, Hot Java/Cool Jazz money. We paid the Jazz II directors fee. Transfers of the butter braid money to the Disney trip have been happening. 57 tickets to Hot Java have been sold and will be on sale until Feb. 11. Sue will go in and buy them on the first day. 3 Night at the Club tickets have been sold. 10 students haven't paid the 3rd Disney payment. There are still 4 unpaid uniform fees. Sue will make a payment on Feb. 19 and the final payment will be on Feb. 23. Travel numbers are still fluctuating.

Clothes for the Cause – Teri

Teri has made a thermometer for the band room and for every 5 bags the kids bring in, they get to color in a line. Teri will send Maria a blurb for the newsletter and Cathy will include it on the website so everyone knows it's time to start sending in bags of clothes. Betsy Evensen can help with getting the word out via the high school website and emails. Sherwood Korssjoen can also advertise for us with his advertising space. He may have contacts for donations for the Clothes for the Cause.

**Cathy will look into the idea of making a sandwich board for advertising our concerts.

Rotary Grant - Carol

We submitted the grant request for a Bass Clarinet to the Rotary Club. Nancy Baker worked on it and the grant looked awesome.

Matt is requesting a ContraBass Clarinet as well. The Garneau Grant is coming up. Nancy Baker is working on that one and we will ask for the ContraBass Clarinet.

Night at the Club

We have quotes from the kids that Matt collected from the kids in band. Carol has chosen some great quotes that we hope to have the kids read to the crowd. Need to start getting tickets sold for the event. Hoping to send out personal emails to the people who attended last

year. Rotary and Eagles are good people to approach since they like to support us. We are recruiting parents and businesses to donate desserts. **Cathy will ask Sherwood if he can donate a trailer so we can transport instruments to Boxleys. Janine dropped off posters to be put around the neighborhood. The Tux Shop is donating a gift certificate we can use that night.

Trip Updates – Maria

Nothing right now

Miscellaneous - Carol

The seniors trifolds have been purchased and labeled for the Senior night. Sue will be in charge of them.

Bylaws – Cathy

Cathy has revised the Bylaws as previously discussed. These will be voted on in September.
