Treasurer report - Sue

See treasurer report for details

Still more money to pay out for the refunds to the parents for Ellington. 3 families to hear from to say how they would like their refund. \$500 was received from JALC for a participation fee. This money will go into the ellington fund. Some could be used to pay for thank you cards.

Still expect to get band camp money over the summer.

Budget – All suggested changes have been made.

Want to order 4 french horns at \$2500 each. This will use up the \$10,000 instrument fund balance. Bill will talk to Matt to coordinate the ordering process. Needs to be done by June 30th.

Garneau-Nicon grant – need copy of checks for proof of payment or invoices with paid date written on them.

****Motion** – Cathy moved to approve the proposed budget with the intention of ratification by general membership in Sept. Sue seconded. Unanimously approved.

****Photography money still not received from Bob. **Andrea will follow up.**

Ellington thank yous – need photo. Matt doesn't have access to them right now. We have addresses and emails but need a good picture of the kids to use. We will go to Costco for printing a picture postcard. Will need 28 postcards and 26 emails need to be sent. Little Town Blues donations need to have thank you sent as well.

Chicago – Maria

Flights – need to book but won't be until September. \$50 per person to hold. Balance will be about 30 days prior to the trip- payable in November. Will be expensive since it's right at Christmas.

Rooms - \$150 per night. 4 kids per room. Tuesday through Saturday. Performance is 1:15pm for one hour on Friday. Could leave Friday night. Sunday is Christmas Eve. Each kid gets 3 full access passes. Directors get 15 more.

Band Camp

BLT for free? Just section leaders or all BLT? 1-2 leaders per section. If all BLT members are free, we will not make very much money on the camp.

Scarlet and Grey Game - August 25

There will be a band rehearsal on Aug 23. Can measure for jackets and uniforms then. Rehearsal for drumline at 1pm on the 25th. Band rehearsal at 4pm. Meal at 6pm. Game at 7pm. Only playing for the 1st half of the game. Done by 8 or so and then can do to other fun activities. **Sue will reserve the wildcat court and teach Cathy how to do it.

Large trip for next year? Bill will discuss with Matt and we should what the plan will be by the end of this month.
