Introductions

Minutes approved as presented

Financials – Sue

\$2,600 has been received in donations for Ellington this year. See attached budget sheet. Bass Clarinet coming in next week will still need to be for. Just bought a tuba a few weeks ago. \$4,400 of the excess money is earmarked for the Butter Braid sales that goes to the kids that earned it. We need a new piccolo. Top 3 priorities for instruments would be: bass clarinet, piccolo, tuba.

We decided to give \$5,000 to Matt for instrument purchase. This leaves us with \$21,000 carry over for next year.

Orchestra will need uniforms but shouldn't be too big of a deal next year.

****Action:** Sue will add a "Student Reserve" line to the budget so the parents can see that. Instrument budget will increase due to the new instrument purchases about to happen.

Money from the staff recital to be used for scholarships.

Ellington – Maria

We got additional \$500 donation from an anonymous donor. We also received an additional \$500 for participation award. Didn't have to pay extra money for the bari sax. The airplane food was bad so we saved money on that. That extra money (\$1,000) will go back to boosters for jazz.

Marching Band – Andrea

Hoping for 80 kids to sign up. Need to purchase 1 box fan. Otter pops each day. Pizza on Friday with cookies.

Garneau Nikon Grant - Carol

Sub contra bass clarinet – We have passed the first review and heading on to the second review. March 31 is when we need to apply. Nancy Baker is our grant writer. Personal contact is important. Kids writing notes and public acknowledgement is very helpful.

Awards night review

Slides behind the kids was great. Need to prepare a Senior Check out Letter with all the info they will need.

****Action:** Carol will compose the letter
