And a kick off bbq for incoming freshman on June 14th. Matt & Bill submitted audition for Midwest Band and Orchestra convention on Dec 20th – 23rd and we were accepted for Jazz 1. Lorraine would like budget available for May concert. Booster Club update: Lorraine met with Gus Apostle. School wants all clubs in one booster club. Being more coordinated at football games. Still in planning phase and Lorraine feels he is open to spreading out wealth of football games. Senior Night – awards and final concert. In the past, we have done flowers for kids *Andrea to order flowers. We need to find out how many seniors and then order them. We will buy tri fold board for seniors to create their band memories. *Lorraine to ask L. Tarp to provide food for awards night.

Rotary Grant: We did receive \$2500. Tuba is around \$6K. We do have funds to purchase Tuba with grant and instrument fund.

Jersey Mikes: Alice to get 500 flyers next week with logo. April 17th – 23rd only good at North Bend location. *Alice to put flyers in teachers' boxes. Kids will get flyers to distribute and electronic flyers. This money will go to Ellington.

Snap Raise: \$17780 and 42% participation. We get 70% and can increase to 77% if we get 70% participation. Next year maybe do earlier as not to interfere with other groups at the school. Our goal was \$5K and we should receive over \$12K. Can we give Ellington kids a portion of this money \$2000? Motion by Cathy and Joanna second it. All in favor.

We should make \$60 per ticket for Little Town Blues and we can put that money toward Ellington.

Uniform update: All paid!

Ellington: Maria is working hard on all of the details. It is coming together.

Grant requests from Muckleshoot & Snoqualmie Tribes: We are waiting to hear from Muckleshoot. Cindy asked how much to ask for. Ask Sno. For Chicago If we get any grant money then we will reimburse parents. *cindy to get info from bill. Midwestclinic.org.
