*****Action Item:** Sue will look for the best price and order the instruments. They will need to be inputted into Charms. All instruments will be donated to the district for insurance coverage.

Budget Report – Sue

See attached budget reports

We have \$35,212.64 in the bank account

Grants should be separate from miscellaneous donations – Sue will make the change.

2.5% is the charge for PayPal. Sue would like to add on that transaction fee to the cost so that will be covered. She will share the information with the Choir Boosters so we are on the same page.

Instrument Loan Agreement – Carol

Carol has made up the form to be handed out.

\$150 is the cost per instrument for rental. Students only need to pay for one instrument. This money gets paid to the school.

****Action Item:** Sue will compose an email to be sent out to those students. Keri has been informed.

We need more chairs and stands (20 chairs and 25 stands). This should be a district issue.
